

Amendments to the Specification:

Please replace page 1, line1 “TECHNICAL FIELD” with the following:

Field of the Invention

At page 2, line 14, before “DESCRIPTION OF THE INVENTION”, please insert
BRIEF DESCRIPTION OF THE DRAWINGS

Figure 1 is a plot of number of particles (%) vs. size showing the size distribution of example 3.

Figure 2 is a plot of number of particles (%) vs. size showing the size distribution of example 4.

Figure 3 is a plot of number of particles (%) vs. size showing the size distribution of example 6.

Figure 4 is a plot of number of particles (%) vs. size showing the size distribution of example 7.

Figure 5 is a characterization of the latex of example 8 via transmission electron microscopy.
